IT'S TIME
TO QUIT

Technologies

BT/STP
SET/RST

WORKS WITH OTHER MEDICATIONS

Includes alarms designed
to remind you about your
patches and/or pills.

BREAKS THE "CHAIN"

The **cigarette meter** helps
increase the amount of
time between cigarettes
and is especially designed
to defeat chain smoking.

OVER 400 CLINICALLY WRITTEN MESSAGES

Provides positive feedback
customized to your needs and
stage in the quitting process.

EASY TO USE

Just press the **cigarette button** each time you light up.

ALSO AVAILABLE AS A CLIP-ON WATCH

The handy clip
doubles as a
desk stand,
so you'll never
be without your
QT-Watch!
